Dear Dir. Aquino,

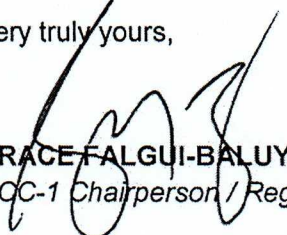

This has reference to the **2020 Cities and Municipalities Competitiveness Index (CMCI) Survey** where all Local Government Units in the country are being ranked against each other on the basis of how they excel in terms of Economic Dynamism, Government Efficiency, Infrastructure and Resiliency.

The Region 1 Competitiveness Committee held a meeting last March 10, 2020 at the DTI-RO1 Conference Room to discuss various matters relating to its procedures and implementation. One of the important discussions made was the process on data collection of the LGUs for certain indicators, which could best be provided by member agencies. The data provided by your agency serves as a means of validation/verification vis-à-vis data provided by the LGUs.

With this, may we again request your office to accomplish the attached NGA Data Capture Sheet to help our LGUs in the region to complete the data, be able to sufficiently participate and hopefully receive awards during the National Awarding this coming October. Please send accomplished output via email to idd.ilocosregion@gmail.com copy furnished kenethgarciabayani@gmail.com on or April 30, 2020. Other discussions and agreements made during the RCC meeting can be found in the attached minutes of meeting for your perusal.

Thank you and we look forward to your favourable action on this request as we continue to gear towards a highly competitive and innovative Philippines through our contribution to the CMCI Survey.

Very truly yours,

GRACE FALGUI-BALUYAN, CESO IV
