REGIONAL MEMORANDUM
No. **204**, s. 2020

SUBMISSION OF DIVISION RESPONSE PLAN ON COVID 19

To: Schools Division Superintendents
All others concerned

1. The Central Office came up with the first consolidated draft of the **DepEd Response Plan on Covid 19** based on the following scenarios projected by the DOH Data Analytics Team:
 - a. Even if ECQ is lifted after the extended ECQ period (until April 30), certain areas may still be under General Community Quarantine (GCQ), with schools among those identified to remain closed.
 - b. There may be localized areas downgraded from GCQ, and schools allowed to open, but stringent social distancing will still be adopted, which may require reducing class size for every classroom.
 - c. Generally, stringent social distancing may still apply.
 - d. Even if schools open, there is possibility of localized or generalized rebound of outbreak, requiring GCQ or ECQ, with schools being the first to be ordered closed.
2. Given the intricacies of adjusting to the new normal and in consideration of the peculiar situations of schools and Schools Division Offices (SDOs), there is a need to integrate plans of the different levels of governance (RO, SDO and schools) in order to ensure efficient, relevant and effective response.
3. Anent the foregoing, Schools Division Offices (SDOs) are requested to submit their Response Plan reflecting the applicable strategies, programs, project and activities that may be initiated at the division, district and/ or school level to help ensure continuity of learning.
4. Attached is the suggested template for reference. Please submit Response Plan on or before **May 4, 2020** @ pprd.region1@deped.gov.ph.

Division Response Plan

Instructions:

1. Considering the scenarios and DepEd Response Plan, identify strategies, programs, projects that can be initiated at Division, District and/or school to help ensure continuity of learning.
2. The following may serve as a guide in the identifying response measures.
 - Protecting the well-being of learners and teaching and non-teaching personnel, and preventing further transmission of COVID-19.
 - Ensuring education continuity through K-12 aligned learning materials, various modalities of delivery, and corresponding teacher training. (e.g. shifting of classes to comply with physical distancing measure, alternative delivery mode, capability building for teachers and school heads, engaging parents and stakeholders, etc.)
 - Facilitate the safe return of teaching and non-teaching personnel and learners to work and schools, based on various scenarios projected by the DOH data analytics team.
3. Other initiatives that are deemed relevant for schools may also be included.
