FOR REGIONAL DIRECTORS

FROM DIOSDADO M. SAN ANTONIO  
Undersecretary for Curriculum and Instruction

SUBJECT ORIENTATION ON THE MOST ESSENTIAL LEARNING  
COMPETENCIES (MELCs) FOR REGIONAL AND DIVISION  
SUPERVISORS

DATE June 2, 2020

As the COVID-19 pandemic continues to impact various governments and economies around the world, even schools are not spared from its crippling effects. Thus, the Department of Education affirms its commitment in sustaining the delivery of quality basic education services anchored on the *Sulong Edukardad* plans. It will continue to strive to produce holistic Filipino learners with 21st century skills by ensuring that learning standards are relevant and flexible to address the impact of COVID-19 in the Philippines, particularly in the basic education sector.

Therefore, the Department, through the Bureau of Curriculum Development, has released the Most Essential Learning Competencies (MELCs) to be used nationwide by field implementers for SY 2020-2021 only. In order to effectively assist the schools in navigating the limited number of school days and employing multiple delivery schemes through the MELCs, the BCD shall conduct "Guiding our Teachers: Orientation on the MELCs." The orientation aims to discuss the rationale and processes behind the development of the list of the most essential competencies, and provide information as to how these are used in varying contexts through different delivery models.

To effectively meet these objectives, all Regional and Division Supervisors are invited to take part in the said orientation on the schedule below:
