SUBJECT : **Workshop on the Development of a Monitoring and Evaluation Framework for the Indigenous Peoples Education (IPed) Program**

DATE : **December 7, 2020**

1. The Indigenous Peoples Education Program has initiated the development of a Monitoring and Evaluation Framework in 2019 as a step to further clarify the program's profile. Over the past seven pioneering years, the Program has been able to substantiate the articulation of the Program's foundational perspectives, principles and convictions, including long term directions and priorities. Vital policies and mechanisms have also been established to support and promote the actualization of program objectives.
2. Through the M and E Framework, these articulations, directions and targets will be further embedded in the national education system and further refined and aligned in relation to national directions and targets.
3. In this workshop, the draft output in 2019 will be reviewed and refined, this time with the additional step of defining cultural standards that need to be included in the M and E Framework. Initial work on data capture forms and related M and E instruments may be covered (please see Annex 1 with Activity Matrix).

4. Attached to this memorandum is the list of participants (Annex 2).
5. The link to the session platform shall be sent before the activity.
6. For clarifications, confirmation and other logistical concerns, please contact Apple Guintodan of the DepEd – Indigenous Peoples Education Office (IPsEO) at telephone number 09778421007 or email address ipseo@deped.gov.ph.
