OUA MEMO 00-0121-0011
MEMORANDUM
05 January 2021

For: Regional Directors and BARMM Education Minister
Schools Division Superintendents
Regional and Division Information Technology Officers
Administrative Officers V (Supply Officers)
Public Elementary and Secondary School Heads
Public Elementary and Secondary School Teachers
Schools ICT Coordinators
All Others Concerned

Subject: PARTICIPATION IN THE ONLINE SURVEY FOR THE TERMINAL PROJECT EVALUATION OF THE DEVELOPMENT SUPPORT SERVICES (DSS) AND TECHNICAL ASSISTANCE (TA) TO THE DEPED COMPUTERIZATION PROGRAM (DCP) TO THE K TO 12 PROGRAM IMPLEMENTED IN PARTNERSHIP WITH UNITED NATIONS DEVELOPMENT PROGRAMME (UNDP)

In 2016, the Department of Education (DepEd) partnered with the United Nations Development Programme (UNDP) in the implementation of the DepEd Computerization Program (DCP) to the K to 12 Program. Through this program, the DepEd mobilized the UNDP through the National Acceleration Modality (NAM) in the procurement, delivery, and installation of about 4,800 ICT packages to schools from 2016 to 2019.

As part of the Terminal Evaluation of this program, there are three (3) surveys conducted on the following program components:

1. Utilization of ICT packages for students’ learning and its current operational status at the school level;

2. Operational status of ICT packages distributed to Division offices; and

3. DepEd-Civil Society Organization (CSO) partnership in terms of ascertaining school readiness and on the delivery and installation of ICT packages and solar panels.

The 1st set of survey questionnaires on ICT packages would need the participation of teachers and ICT Coordinators or Focal Persons. The 2nd set of
survey questionnaires would generate feedback from respondents from the Division Offices who were recipients of the ICT packages procured through UNDP. Lastly, the 3rd set of survey questionnaires would gather feedback from DepEd field offices and CSO partners at the Regional and Division levels on the monitoring and facilitation of school readiness and the distribution of ICT packages.

The participants for each set of surveys and the links to the online survey questionnaires are indicated in the table below. The surveys shall take about 20 to 25 minutes to answer and are accessible through mobile devices or personal computers.

Aside from providing feedback on the accomplishment and challenges encountered, the respondents would have the opportunity to highlight lessons learned as well as give suggestions towards improving the support system for schools, teachers, learners, and the community towards collectively sustaining students’ learning and building up competencies.

The respondents are encouraged to complete the survey on or before 11 January 2021.

For all future correspondence and queries on these surveys, please contact Mr. Noriel Sicad, the independent Terminal Evaluation Consultant supporting DepEd and UNDP via email at norieljc@gmail.com.

For strict compliance.
