Dear Dir. Aquino,

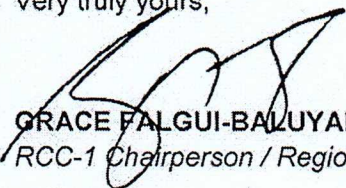

This has reference to the **2021 Cities and Municipalities Competitiveness Index (CMCI) Survey** where all Local Government Units in the country will be scored and ranked based on their competitiveness in five Pillars, namely: (1) Economic Dynamism, (2) Government Efficiency, (3) Infrastructure, (4) Resiliency and the new pillar—(5) Innovation.

The Region 1 Competitiveness Committee held a meeting last May 07, 2021 via Zoom to discuss matters relating to this year's CMCI cycle. One of the agenda covered was on the data collection and validation process of the LGU's Local Data Capture Sheets. Like in the past years, it was again agreed that specific data for some sub-indicators are best provided by our RCC Partners in the national line agencies.

With this, may we request your good office to accomplish the attached Data Capture Sheet as a means for validation/verification vis-à-vis data provided by the LGUs. Kindly send your output via email to [kenethgarcabayani@gmail.com](mailto:kenethgarcabayani@gmail.com) and [idd.ilocosregion@gmail.com](mailto:idd.ilocosregion@gmail.com) on or before May 31, 2021.

Thank you and we look forward to your favorable action on this request as we continue to gear towards a highly competitive and innovative Philippines through our contribution to the CMCI Survey.

Very truly yours,
