DIR. TOLENTINO G. AQUINO
Regional Director
Department of Education - Region 1
Flores St., Catbangan,
City of San Fernando, La Union

Dear Dir. Aquino,

Greetings from the Department of Trade & Industry-Region 1!

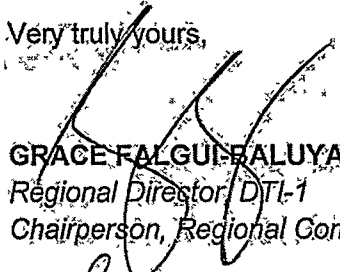

This year's cycle for another round of a National LGU Competition via the **Cities and Municipalities Competitiveness Index Survey** has officially begun. Similar to last year, all LGUs in the country will be scored and ranked based on their competitiveness in the **Five Pillars--(1) Economic Dynamism, (2) Government Efficiency, (3) Infrastructure, (4) Resiliency and 5) Innovation.**

Last April 13, 2022, we have received the updated Local Data Capture Sheet (LDCS) to be utilized by the LGUs for this year's survey. As a way of practice for the last five years, we would again like to request your good office for data on specific indicators concerning your agency in said LDCS, as a means for our region to help complete, enhance and validate the data being submitted by our LGUs in Region 1.

Attached is the LDCS specifically for your agency. As this year's timeline for submission has been shortened due to the upcoming change of administration, we hope to receive your output via email at idd.ilocosregion@gmail.com and kenethgarciabayani@gmail.com on before April 29, 2022. For any concerns, please feel free to contact Ms. Kathleen Mateo via email address above, landline (607-0485) or mobile phone (0939-9089-805).

Again, thank you very much for your continued support and we look forward to your favorable action on this request as we continue to gear towards a highly competitive and innovative Philippines through our contribution to the CMCI Survey.

Very truly yours,

GRACE FALGUN BALUYAN
Regional Director DTI-1
