To: Schools Division Superintendents

Division Supply Officers

**DISTRIBUTION OF MULTIMEDIA LEARNING RESOURCES
AND ACCESSORIES**

1. Supportive of one of MATATAG Agenda's steps to accelerate the delivery of basic education facilities and services and consistent to its mandate of providing learning resources, the Regional Office through the Curriculum and Learning Management Division-Learning Resource Management Section (LRMS) finds ways to provide the Schools Division Offices the means to produce multimedia learning resources (MMLRs) using multimedia equipment and accessories.
2. The production of more MMLRs is also in response to the technological developments where learning has taken different forms from using printed books to e-books, interactive modules, online and offline games, or simply listening to audio and watching video materials. Through these new types of materials, the interests and preferences of learners are considered and addressed, and the following objectives are expected to be realized:
 - Reinforce and expand content being taught;
 - Respond to a variety of learning styles
 - Increase student motivation; and
 - Stimulate other learning activities.
3. Attached is the complete list of the multimedia equipment and accessories that will be provided to each SDO and shall be lodged to the **Learning Resource Management Section** of the Curriculum Implementation Division.
4. The Guidelines on the Development of Multimedia Learning Resources (MMLRs) and Utilization of Multimedia Equipment and Accessories will be provided soon thru a separate Regional Memorandum.
