1. DepEd Order No. 4, s. 2014, otherwise known as the **Adoption of Modified School Forms (SFs) for all Public Elementary and Secondary Schools Effective End-of-School Year 2013-2014**, institutionalized the utilization of the modified forms to simplify the processing of various school records, thus allowing public school teachers and school heads to focus on the core business of curriculum delivery. One of these modified forms is School Form 7 (SF7) or the **School Personnel Assignment List and Basic Profile**, which provides a list of the school personnel's profile and official duties.
2. As part of its commitment articulated in the MATATAG Agenda to digitize its essential processes, the Department of Education (DepEd) issues the **Electronic School Form 7 (eSF7)** to be adopted by all public schools effective School Year (SY) 2023-2024.
3. The digitization of the form maximizes its function as a tool in establishing a fair and equitable distribution of teacher workload. Moreover, it aims to capture important school-level information crucial in the achievement of strategic workforce management and data-driven human resource decision-making.
4. Additional data elements shall be collected and used for the development of a school personnel database. The supplementary information shall strictly be utilized in the identification of teacher training and professional development needs, projection of workforce trends, and other significant human resource analytics.
5. The standardized process of the electronic version promotes the principles of efficiency, fairness, integrity, and transparency. This electronic version shall reduce the time and effort school personnel spend in data entry and records management without compromising the accuracy, quality, and reliability of the data.
6. In adherence to DO 4, s. 2014, the accomplishment of this electronic form is the primary responsibility and accountability of the **School Head**.
7. This official electronic form can be downloaded at <https://bit.ly/eSF7>. The data consolidator template to be used by the schools division offices (SDOs) is likewise available at the aforementioned online link.
