DR. TOLENTINO G. AQUINO, CESO VI
 Regional Director, DepEd Region 1
 San Fernando City, La Union

Dear Dr. Aquino:

Warm Greetings!

The Philippine Science High School System (PSHS) is mandated to provide free scholarships to high school students specializing in Science, Technology, Engineering, and Mathematics (STEM). Its vision is to produce Filipino scientists equipped with 21st-century skills and imbued with the core values of truth, excellence, and service to the nation.

Furthermore, the PSHS Ilocos Region Campus is prepared to accommodate one hundred twenty (120) student-scholars each academic year. Entry to PSHS is determined through a National Competitive Examination (NCE).

In this connection, I kindly request your support for our intensified campaign to attract more qualified **Grade Six Pupils** to take the NCE. The deadline for submitting application forms and the required documents is **October 10, 2024**.

Please permit our employees to conduct a campaign and collect application forms in the elementary schools within the region from **August 12 to October 7, 2024**. Additionally, I request your assistance in distributing the NCE forms to the various elementary schools through the division offices of the Department of Education.

We will also conduct review programs and request permission to coordinate with the respective school division superintendents.

The application forms, application guidelines, review materials, and publication materials are attached to this letter. For more information about the NCE, please contact Jenyfer C. Rabang, Registrar, at (077)6741454, 0927-2741-326, or registrar@irc.pshs.edu.ph.

Thank you very much, and God bless.

Sincerely,

Michelle B. Ducusin
