TOLENTINO G AQUINO
Director IV, Region I
Department of Education

Dear Sir Aquino,

Greetings from East-West Seed Foundation!

East-West Seed Foundation is committed to improving food security and family nutrition through sharing of knowledge on vegetable production and health benefits.

We are pleased to invite DepEd Region 1 to avail of our very popular and effective VeggiEskwela Online TOT through the Adopt-A-School Program.

VeggiEskwela Online is composed of a 1-hour Orientation session, followed by 5 weekly training events of 2 - 3 hours duration, scheduled on a selected day and time of the week. For example, we can set the Orientation event for a Tuesday, 9 -10 am, followed by the weekly training events on the next 5 Tuesdays -- from 8 - 10 am, 10 am - 12 nn, 1 - 3 pm and/or 3 - 5 pm.

All training sessions are conducted online, via a zoom link we will provide. The registered participants may join via a laptop, desktop or android phone with internet connectivity. Nevertheless, while conducted online, the participants will be requested to do hands-on assignments in between the weekly sessions, to practice what they have learned. Pictures of the assignments will be uploaded by participants to a closed fb group created for this activity, reviewed weekly as part of the online session.

If you would like to know more about VeggiEskwela Online, we'll be happy to discuss this with you online, at your most convenient date and time. For ease of communication you may reach us through Ms. Joyce Gaviola our Program Manager on this mobile: 0917 5536049. We look forward to collaborating with your office and serving our Schools Division Offices within the Region.

Very truly yours,

Ma. Elena van Tooren
Executive Director
East-West Seed Foundation, Inc.
