Greetings of camaraderie and sportsmanship!

The 2024 Sports Festival kicked off with great energy on October 30, 2024, at Don Mariano Marcos Memorial State University. It was a huge success because of the amazing support from our members, demonstrating once more that we can accomplish amazing things when there is unity. We're thrilled to extend this momentum by inviting you to our upcoming event, a Zumba session and fun run at Poro Point Baywalk in San Fernando City, La Union, on November 8, 2024, at 5:00 AM.

Whether you decide to walk, jog, or run, this event is a fantastic opportunity to demonstrate our common passion for mental health and wellness. Let's get together to celebrate our dedication to cooperation, solidarity, and friendship, deepen our ties, and engage in some healthy competition. The following factors should be taken into consideration when conducting our fun run:

1. The event will start with a Zumba session at 5:00 a.m. Subsequently, there will be a program to recognize the participants and the association's members.
2. After the program concludes, the fun run will commence. The event will take place within the vicinity of the Poro Point with the aim to promote camaraderie among government agencies; hence, there will be no declared winner for the said event.
3. Each participant is required to bring their own tumbler for their water storage. Water dispensers will be placed at designated points for participants to refill their water.
4. Participating agencies are required to assign two marshals to assist the runners during the fun run.
5. There will be no registration fee for the fun run and Zumba session; thus, participating agencies are required to have their own food and snacks.
6. To easily distinguish themselves during the event, participating agencies must wear a uniform-colored shirt that represents their agency.

The success of this event depends on your involvement and support, and we hope to see you all there! Set aside time on your calendars, put on your sneakers, and prepare for an enjoyable and active day. Together, let's make this another special occasion in our journey!
