REGIONAL MEMORANDUM

No. 1612, s. 2024

ADMINISTRATION OF PHILIPPINE INFORMAL READING INVENTORY (PHIL-IRI) FOR KEY STAGES 2 AND 3 FOR SCHOOL YEAR 2024-2025

To: Schools Division Superintendents

- In reference to DM-CT-2024-447, the Department of Education announces the administration of the Revised Philippine Informal Reading Inventory (Phil-IRI) assessment to learners in public schools nationwide to measure and describe the learners' reading performance in both English and Filipino languages in oral reading, silent reading, and listening comprehension.
- For SY 2024-2025, the Phil-IRI shall be administered to Key Stages 2 and 3. The materials can be accessed via <https://tinyurl.com/PhilIRIJHSmaterials>. The same procedure stipulated in the Phil-IRI Manual 2018 shall be followed.
- The enclosed DM-CT-2024-447 gives general directions for the administration of the Phil-IRI for Junior HS based on Phil-IRI Manual 2018.
- School heads/reading coordinators shall consolidate the data and upload to this link on or before December 20, 2024: https://bit.ly/Phil-IRI_SchoolSubmission.
- With the adoption of the Phil-IRI for Junior High School, the **LETRA Tools for Key Stage 3 will now serve as supplementary reading assessment tools**. For School Year 2024-2025, results from the LETRA Tools will still be collected by this Office. Meanwhile, the LETRA Tools for Key Stage 4 will remain as the primary reading assessment tools.
- For inquiries or concerns, please contact the Curriculum and Learning Management Division through email at clmd.region1@deped.gov.ph.
- For information and compliance of all concerned.

MEMORANDUM

DM-CT-2024-447

TO : REGIONAL DIRECTORS

FROM : 
GINA O. GONONG
Undersecretary for Curriculum and Teaching

SUBJECT : ADMINISTRATION OF PHILIPPINE INFORMAL READING INVENTORY (PHIL-IRI) FOR KEY STAGES 2 AND 3 FOR SCHOOL YEAR 2024-2025

DATE : October 28, 2024

The Department of Education, through **DepEd Order No. 14, s. 2018**, shall continue to administer the Revised Philippine Informal Reading Inventory (Phil-IRI) assessment to learners in public elementary schools nationwide to measure and describe the learners' reading performance in both English and Filipino languages in oral reading, silent reading and listening comprehension.

For school year 2024-2025, the Phil-IRI shall be administered to Key Stage 2 (Grade 4 to 6) and Key Stage 3 (Grade 7 to 10). The materials for Phil-IRI Junior High School can be accessed through this link: <https://tinyurl.com/PhilIRIJHSmaterials>. The same procedure stipulated in the Phil-IRI Manual 2018 shall be followed.

The schedule of activities in relation to the administration of Phil-IRI is stipulated in Enclosure 1, and the forms to be accomplished are in Enclosure 2.

Enclosure 3 of this Memorandum gives the general directions for administration of Phil-IRI for Junior High School which is based from Phil-IRI Manual 2018.

The school head/school reading coordinator shall consolidate the data which includes the results of the Group Screening Test (GST) and Individualized Assessment, and the data shall be uploaded in the Phil-IRI School Submission form through this link: https://bit.ly/Phil-IRI_SchoolSubmission

The Phil-IRI data serves as one of the bases in planning, designing/redesigning the reading instruction of the teachers and the school's reading programs or activities to improve the overall school's reading performance. Likewise, the data collected shall be instrumental in enhancing current programs and planning for future initiatives related to literacy and reading.

Enclosure 3

General Directions for Administration of Phil-IRI for Junior High School

A. The Four Stages

There are four stages in the administration of the Phil-IRI namely:

Stage 1: Initial Screening Using the Phil-IRI Group Screening Test

Stage 2: Administration of the Phil-IRI Graded Passages/Individualized Assessment (Pretest)

Stage 3: Provision of Specialized Instruction/Intervention

Stage 4: Administration of the Phil-IRI Graded Passages/Individualized Assessment (Posttest)

STAGE 1: Initial Screening Using the Phil-IRI Group Screening Test

For SY 2024-2025, the Phil-IRI for JHS Group Screening Test (GST) in English and Filipino shall be administered to all Grade 7 to 10 learners in November, and at the first 2 months of the school year in the succeeding school years. It is a **40-item multiple choice test** that the test takers must accomplish within **60 minutes**. This should be administered during class time. Each learner must have completed 2 tests (one (1) in English; one (1) in Filipino).

Upon completion of the administration of the GST, the Class Reading Reports are submitted to the School Head. These contain a summary of the learners who performed equal or above and below the cut-off score. Refer to Form 1A: Talaan ng Pangkatang Pagtatasa ng Klase (PPK) sa Phil-IRI for Filipino or Form 1B: Class Reading Report (CRR) for English.

The school head/school reading coordinator should accomplish Form 2 – School Reading Profile. Learners who garner a Raw Score that is **equal to or greater than 28** need not undergo further testing. The first stage is done for these learners.

STAGE 2: Administration of the Phil-IRI Graded Passages (Pretest)

Learners who garner a Raw Score that is **lower than 28** need to undergo further assessment, as this may be an indication that the learner is experiencing difficulty reading at-level text. It is thus necessary to conduct individualized assessment in order to further describe the learner's reading performance.

The learners will be assessed using the Phil-IRI Graded Passages in Filipino and in English. Note that it is possible for a learner to undergo the Phil-IRI Graded Passages in one or both languages.

Republic of the Philippines

Department of Education

OFFICE OF THE UNDERSECRETARY FOR CURRICULUM AND TEACHING

After administering each graded passage, fill-out Form 3 (attached in the graded passage), Form 4 and Form 5 (Pretest).

Then proceed to stage 3.

STAGE 3: Provision of Specialized Instruction/Reading Intervention

Once all the data describing the learner's reading performance has been gathered, the teacher may use this information to design an intervention program (i.e. remedial reading program) or adjust classroom instruction.

STAGE 4: Administration of the Phil-IRI Graded Passages (Posttest)

After receiving specialized instruction, the learners will be re-assessed using the Phil-IRI Posttest for the grade level two (2) months before the end of school year. Using the graded passages, the test administrator must again identify the learner's independent, instructional and frustration levels. The posttest results may be compared with the pretest results. Note that only those learners who took the pretest (individualized assessment) will be given the posttest.

To illustrate, if Sandro's reading level after administering the 7th grade passage is independent or instructional, give him another graded passage that is one grade level higher. If his reading level is frustration, give him a graded passage that is one grade level lower. Continue giving a graded passage until his independent and/or instructional and frustration levels are determined.

Step 1: Determine the Starting Point of Graded Passages.

The first passage that the learner should be asked to read aloud must depend on his/her raw score in the GST.

- a. If the learner's raw score in the **GST is 0-15**, he/she must be given a passage that is 3 grade levels below his current grade level.
- b. If the learner's raw score in the **GST is 16-27**, he/she must be given a passage that is 2 grade levels below his current grade level.

To illustrate, if Sandro, a 7th grader, garnered a Raw Score of 14/40 in the Filipino GST, the first selection that he must be asked to read should be at 4th grade level. Once the first selection to be read has been identified, the test administrator is ready for Step 2.

Step 2: Compute Scores in Word Reading and Comprehension

For each passage, compute scores in Word Reading and Comprehension to identify learner's Reading Levels (pages 21-29 details the procedures for computing the Word Reading and Comprehension scores). Using these graded passages, the test administrator must find the learner's **independent, instructional and frustration levels**. Awareness of a learner's reading levels can help the teacher identify materials that are suitable for developing the learner's reading skills.

To illustrate, if Sandro's reading level after administering the 4th grade passage is independent or instructional, give him another graded passage that is one grade level higher. If his reading level is frustration, give him a graded passage that is one grade level lower. Continue giving a graded passage until his independent, instructional and frustration levels are determined.
