3. This represents a 0.14% modest increase over the Region's previous percentage usage of 2.15% on September 6, 2024. The rise is due to the addition of four (4) schools from SDO Urdaneta City that have encoded in the MOOE System, bringing their total use of the system to 100%.

4. This is to seek the support and cooperation of all 14 Schools Division Offices to improve the usage of the monitoring system to fully utilize the system that was developed to facilitate the utilization and reporting of the School MOOE Funds.
