DR. TOLENTINO G. AQUINO
 Regional Director
 Department of Education Regional Office 1
 City of San Fernando, La Union

Dear Dr. Aquino:

The Department of Science and Technology – Science Education Institute (DOST-SEI) administers scholarship programs under Republic Act No. 7687 (the "Science and Technology Scholarship Act of 1994") and Republic Act No. 10612. RA 7687 provides scholarships to talented and deserving students from economically disadvantaged families who pursue science, technology, engineering, and mathematics (STEM) courses and commit to serving the country as professionals. Meanwhile, RA 10612, an expansion of the DOST-SEI Scholarship Program, aims to accelerate the production of science, technology, and mathematics (STM) teachers in secondary schools, particularly for the implementation of the K-12 curriculum. Scholars under RA 10612 are expected to be deployed as Special Science Teacher I (SST-I) in the Department of Education upon graduation.

In line with this, we would like to kindly request a copy of the list of DOST scholars under RA 10612 who are currently employed as Special Science Teacher I (SST-I) and RA 7687 scholars who are currently employed as Teacher I in Region 1. And list of any unfilled SST-I positions in the region. This information will greatly assist us in our monitoring & in identifying scholars to be endorsed for deployment.

Thank you for your continuing support of this endeavor.

Very truly yours,

DR. TERESITA A. TABAOG
 Regional Director

For and on behalf of the Regional Director,

Racquel M. Espiritu
