1. An effective School Governance Council (SGC) requires active engagement from both internal and external stakeholders. Collaborative and harmonious relationships between the school and its stakeholders are reinforced when responsibilities are shared, delegated, and decisions are made through consultation.
2. To enhance SGC functionality, the Bureau of Human Resource and Organizational Development-School Effectiveness Division (BHROD-SED) has developed and rolled out an assessment tool. The results of the SGC endline data collection can be accessed for reference and verification at the following link: <https://tinyurl.com/SGCENDLINE>.
3. The Schools Division Offices, through the School Governance Operations Division (SGOD), will extend technical assistance to both public secondary and elementary schools, as stated in DepEd Order No. 26, s. 2022, titled "Implementing Guidelines on the Establishment of School Governance Council."
4. The Regional SGC composite team will monitor and validate the implementation of this program, which is essential for the effective implementation of School-Based Management (SBM).
5. Immediate dissemination of this Memorandum is desired.
