PANEL
INTERVIEW
COACHING

The last phase of the CESO Eligibility screening after the Validation. GML's strategic approach is to deploy the interviewee into the highest level of difficulty by employing high-level questions and situations on management and leadership proclivities and how these are effectively operationalized in the respective organization or community served. With the interplay of extremely challenging questions, the interviewee is acclimatized in the highest level of perspicacious interplay of colloquy with the interviewer.
