REGIONAL MEMORANDUM
No. 177, s. 2026

DISSEMINATION OF TOYOTA MOTOR PHILIPPINES SCHOOL OF TECHNOLOGY (TMP-TECH) AUTOMOTIVE EDUCATION AND TRAINING PROGRAMS

To: Schools Division Superintendents

1. This Office received a communication from the **Toyota Motor Philippines School of Technology (TMP-Tech)** expressing its continued commitment to supporting the development of **future automotive professionals** through education and industry collaboration.

2. As part of this commitment, **TMP-Tech continues to strengthen partnerships with schools and education offices nationwide** and is seeking the assistance of this Office in reaching **Senior High Schools across the Region,** to promote its **automotive education and training programs**.

3. TMP-Tech intends to collaborate with interested schools by providing **learning opportunities, industry exposure, and career-focused pathways** that will help prepare learners for employment and further training in the **automotive industry**. This initiative is aligned with the goals of **Technical-Vocational-Livelihood (TVL) Education** and **career guidance and advocacy** for Senior High School learners.

4. In this regard, all Schools Division Offices are requested to **disseminate the attached official letter and brochure** from TMP-Tech to all public and private Senior High Schools, particularly those offering or planning to offer **automotive-related TVL programs**, and to encourage interested schools to coordinate directly with TMP-Tech for possible collaboration.

5. Participation in this initiative is encouraged, as it provides meaningful support to learners' **career readiness, skills development, and employability** in the automotive sector.

6. Immediate and wide dissemination of this memorandum is requested.

ARNOLD I. VINO
Chief Administrative Officer

Invitation for Collaboration with TMP Tech.pdf; TMP Tech Regular Brochure..pdf;

You don't often get email from tmptechmarketing@gmail.com. Learn why this is important

Dear Sir/Madam,

Greetings from Toyota Motor Philippines School of Technology (TMP Tech).

As part of our ongoing commitment to supporting the development of future automotive professionals, TMP Tech continues to build partnerships with schools and education offices nationwide. In line with this, we kindly seek your assistance in reaching different schools offering Senior High School within your region/division as we aim to promote our automotive education and training programs.

We intend to collaborate with schools and provide opportunities that support students' career pathways in the automotive industry.

Attached are our official letter and brochure. We would be grateful for your support and guidance on how we may work together to extend this opportunity to your SHS learners.

Thank you, and we look forward to your favorable response.

Best regards,

Grace

Dear School Principal,

Toyota Motor Philippines School of Technology (TMP Tech) is a non-stock, not-for-profit technical vocational school located in the Toyota Special Economic Zone in Santa Rosa, Laguna. We have been committed to providing high-quality automotive education and training since our establishment in September 2013.

Below are the programs currently offered at TMP Tech:

Program Name	Description
1. Automotive Servicing General Job	Curriculum covers TESDA National Certification I & II in Automotive Servicing, Toyota Technician & Pro-Technician global training program using the Toyota Technical Education for Automotive Mastery for the 21st Century (TEAM 21), and extensive On-the-Job Training at dealer partner institutions.
2. Automotive Servicing General Job with Japanese Language	Curriculum covers TESDA National Certification I & II in Automotive Servicing, Toyota Technician & Pro-Technician global training program using the Toyota Technical Education for Automotive Mastery for the 21st Century (TEAM 21) with Japanese Language & Culture N5 and extensive On-the-Job Training at dealer partner institutions.
3. Automotive Body Panel Repairing	Curriculum covers TESDA National Certification I in Automotive Servicing, plus National Certification II in Automotive Body Repairing with Toyota Pro-Body Technician global training program using the Toyota Body & Paint Technical Education for Automotive Mastery for the 21st Century (TEAM 21), and extensive On-the-Job Training at dealer partner institutions
4. Automotive Body Painting	Curriculum covers TESDA National Certification I in Automotive Servicing, plus National Certification II in Automotive Painting with the Toyota Pro-Paint Technician global training program using the Toyota Body & Paint Technical Education for Automotive Mastery for the 21st Century (TEAM 21), and extensive On-the-Job Training at dealer partner institutions

We would like to express our interest in collaborating with your school to promote our various programs. We are pleased to offer the following options for this collaboration:

1. **School-to-School Career Talk**
   We can visit your school to introduce our programs, share automotive career opportunities, and highlight the benefits of studying at TMP Tech.

2. **Open Campus Tour at TMP Tech**
   We invite your Senior High School students to visit TMP Tech for an open campus tour. During their visit, they will have the opportunity to explore our state-of-the-art facilities, learn about our academic programs and career opportunities, and experience our training environment firsthand.

3. **School Partnership**
   We are open to forming a formal partnership with your school as a feeder school, creating a clear pathway for Senior High School students to continue their automotive education at TMP Tech, with training aligned to industry standards.

We shall be happy to answer your queries or clarifications, if any. You may contact us through our trunk line numbers (632) 85194203 loc. 809 or 0993 426 3757, or send an e-mail to the following:

1. Ms. Annette R. Ramirez (annette.romero@tmptech.edu.ph); and
2. Ms. Mary Grace V. Espina (grace.espina@tmptech.edu.ph).

We look forward to the opportunity to support the educational and career aspirations of students.

Sherwin Lyn D. Manaoop
Administration and Support Division Head

TMP TECH PROFILE

TOYOTA MOTOR PHILIPPINES SCHOOL OF TECHNOLOGY (TMP Tech), a world-class technical training school at the Toyota Special Economic Zone (TSEZ) in Santa Rosa, Laguna, started operations in September 2013.

A non-stock and non-profit educational institution, the school is geared towards transforming the Philippines into a human resource development hub to meet the needs of Global Toyota. Described as a "local training entity with a global perspective," TMP Tech is specifically established for the training of after-sales technicians who will be deployed in service centers both here and abroad.

OUR VISION

To be the **school of choice** for technical education, be the **best source of talent** for the Toyota Global Network, and to **help provide a better future** for Filipino society.

OUR MISSION

As a world-class automotive technical school, TMP Tech commits:

1. To provide **excellent technical education** through highly competent trainers, a superior curriculum at par with international standards, and state-of-the-art equipment and facilities
2. To **develop well-rounded technical professionals** by providing a conducive learning environment
3. To **strengthen relationships with local and international automotive partners** who support On-the-Job Training of students, continuing education, and employment of graduates.

TESDA REGISTRATION & ACCREDITATION

TMP Tech is a TESDA-registered training center and accredited assessment center for the following courses:
