SUBJECT : **SCHOOL-BASED FEEDING PROGRAM BREAKDOWN OF ALLOCATION OF FUNDS AND GUIDELINES FOR THE UTILIZATION OF THE PROGRAM SUPPORT FUNDS (PSF) FOR FY 2026**

DATE : March 30, 2026

The **School-Based Feeding Program (SBFP)**, together with the **Water, Sanitation, and Hygiene in Schools (WinS) Program**, and the **Gulayan sa Paaralan Program (GPP)**, constitutes an integrated package of nutrition-specific and sensitive interventions. Implemented under the purview of the Department's Governance and Operations Strand specifically the Bureau of Learner Support Services- School Health Division, these programs are operationally aligned to ensure a comprehensive approach to addressing undernutrition, food security, and hygiene-related risks among learners.

The SBFP serves as the core intervention, while WinS and GPP function as complementary and enabling programs. The **WinS Program** supports SBFP implementation by ensuring access to safe drinking water, adequate sanitation facilities, and the promotion of proper hygiene practices among learners. The **GPP** contributes to a sustainable and healthy school food environment through the establishment and maintenance of school-based vegetable gardens, reinforcing nutrition education and the development of healthy eating behaviors.

Pursuant to **Republic Act No. 11037**, or the *Masustansyang Pagkain para sa Batang Pilipino Act*, the Department confirms the continued implementation of the **School-Based Feeding Program (SBFP) for FY 2026**. The program is supported by a total allocation of **Php 24,695,443,000.00** under the **General Appropriations Act (GAA)** for **Maintenance and Other Operating Expenses (MOOE)**, and **P1,000,000,000.00**

**GUIDELINES ON THE UTILIZATION OF THE PROGRAM SUPPORT FUNDS  
(PSF) FOR THE IMPLEMENTATION OF THE SCHOOL-BASED FEEDING  
PROGRAM (SBFP) COMPONENTS**

**I. Rationale/Background**

The **School-Based Feeding Program (SBFP)** is designed to improve both **nutritional status** and **classroom attendance** among identified target beneficiaries. **Hot meals (HM)** or **nutritious food products (NFP)**, including **milk**, are provided to severely wasted and wasted learners from Kindergarten to Grade 6, and pregnant adolescent learners, and vulnerable and marginalized learners beyond Grade 6. This is to enhance learners' physical readiness to engage in classroom activities, sustain participation in the teaching-learning process, and facilitate measurable improvements in the learners' nutritional and academic outcomes.

Complementing SBFP, the **Water, Sanitation, and Hygiene in Schools (WinS) Program** institutionalizes good hygiene and safe food handling practices across all feeding modalities, with particular emphasis on meal preparation, storage, and consumption areas. These interventions mitigate food safety and health risks that may compromise the effectiveness of the feeding program.

The **Gulayan sa Paaralan Program (GPP)** further strengthens SBFP implementation by promoting **ecological and climate-resilient gardening practices** to enhance productivity and sustainability of school-based food sources. By augmenting the availability of fresh produce, GPP contributes to the establishment of a **healthy school food environment** and reinforces positive dietary behaviors, including increased fruit and vegetable consumption among learners.

**II. Scope**

This policy provides guidelines to the ROs, SDOs, and schools on the implementation of SBFP. It covers mechanisms on the release, use, and monitoring of Program Support Funds allocated for the SBFP and its program components.

**III. SBFP Complementary Programs**

The following are complementary programs that directly support and enhance the delivery, effectiveness, and sustainability of the **SBFP**, particularly in ensuring food safety, nutrition adequacy, and a supportive school environment.

**1. Gulayan sa Paaralan Program (GPP)**

The Gulayan sa Paaralan Program (GPP) is a complementary school-based intervention that aims to establish, sustain, and institutionalize vegetable gardens within school premises to promote a healthy and sustainable food environment in both schools and surrounding communities. The program is designed to improve learners' nutritional outcomes by fostering healthy eating habits, increasing awareness on food production, and enhancing food security at the school level.

In line with government hunger mitigation and nutrition improvement initiatives, all public elementary and secondary schools are encouraged to establish and maintain school gardens as a sustainable food source for feeding programs. The implementation and fund utilization for GPP shall be guided by DepEd Memorandum (DM) No. 223, s. 2016, entitled “Strengthening the Implementation of the Gulayan sa Paaralan Program in Public Elementary and Secondary Schools Nationwide”, which provides policy direction on garden establishment, maintenance, and integration with SBFP.

## **2. Water, Sanitation, and Hygiene (WASH) in Schools (WinS)**

The Water, Sanitation, and Hygiene in Schools (WinS) Program is a critical enabling component of the School-Based Feeding Program, as it ensures that feeding activities are conducted in a safe, sanitary, and health-promoting school environment. WinS focuses on the provision of adequate water supply, functional sanitation facilities, hygiene infrastructure, and the promotion of proper hygiene behaviors among learners, teachers, and school personnel.

WinS is explicitly recognized under Republic Act No. 11037, otherwise known as the “*Masustansyang Pagkain para sa Batang Pilipino Act*”, wherein it is identified as one of the core components of the National Feeding Program. The law underscores the importance of integrating nutrition interventions with WASH measures to prevent the spread of communicable diseases, reduce infection-related malnutrition, and maximize the nutritional gains of feeding programs.

## **IV. Funding Source**

The funding requirements for the implementation of this Policy shall be charged against the Fiscal Year (FY) 2026 School-Based Feeding Program (SBFP) Current Funds, as authorized under Republic Act No. 12314, and the FY 2025 SBFP Continuing Funds, as authorized under Republic Act No. 12116.

## **V. Release of Funds**

Of the total appropriation for the School-Based Feeding Program (SBFP) under Maintenance and Other Operating Expenses (MOOE) for Regional Offices provided in the FY 2026 General Appropriations Act (GAA) in the aggregate amount of **Twenty-Five Billion Six Hundred Ninety-Five Million Four Hundred Forty Three Thousand Pesos (P25,695,443,000.00)**, only **Eleven Billion Seven Hundred Seventy-Six Million Nine Hundred Thirty-Two Thousand Pesos (P11,776,932,000.00)** has been directly released to, and is presently available for utilization by, the Central Office and the Regional Offices. The remaining balance in the amount of Thirteen Billion Nine Hundred Eighteen Million Five Hundred Eleven Thousand Pesos (Php13,918,511,000.00) is classified as For Issuance of Special Allotment Release Order (FISARO) and shall be subject to the submission to, and approval by, the Department of Budget and Management (DBM) of the appropriate Special Budget Requests. With respect to funds intended for direct release to the Regional Office, each Regional Office shall be responsible for the preparation and submission of its respective request for the release of funds. Requests for the release of funds shall be duly supported by the following documents, without prejudice to

such additional documentary requirements as the DBM Regional Offices may prescribe:

- a. Special Budget Request signed by the Head of Agency (Secretary or duly authorized representative for the Central Office; Regional Director for the Regional Offices);
- b. Budget Execution Document (BED) No. 1 – Financial Plan;
- c. BED No. 2 – Physical Plan;
- d. d BED No. 3 – Monthly Disbursement Program;
- e. Latest utilization rate of the SBFP;
- f. Written justification in cases where the utilization rate is below eighty-five percent (85%); and
- g. A copy of this policy issuance and its corresponding annexes.
- h. Upon the release of funds, the Regional Offices may, as may be necessary and applicable, further sub-allot the same to the Schools Division Offices or directly to implementing unit schools. Correspondingly, the Schools Division Offices may sub-allot such funds to implementing unit schools, in accordance with existing budgeting, accounting, and auditing rules and regulations.

## **VI. Utilization of Funds**

The Central Office (CO), Regional Offices (ROs), and Schools Division Offices (SDOs) play complementary roles in the implementation, coordination, and oversight of the SBFP. The CO provides overall policy direction and program standards, while the ROs oversee regional implementation and provide technical assistance to SDOs and schools. The SDOs, in coordination with recipient schools, are primarily responsible for program execution and shall ensure the efficient, effective, and maximum utilization of allocated funds. All SBFP Program Support Funds shall be utilized in accordance with approved guidelines and existing budgeting, accounting, auditing, and procurement laws, rules, and regulations. The SBFP PSF shall be utilized according to the allowable items under the following expense categories:

- A. **Capital Outlay** - Capital Outlay funds in the amount of One Billion Pesos (P1,000,000,000.00) was allotted for the School-Based Feeding Program under the General Appropriations Act (GAA) for FY 2026. A separate guideline will be issued for the utilization of Capital Outlay Funds.
- B. **Human Resource Support** - Schools Division Offices (SDOs) shall be authorized to hire and engage additional personnel, including Technical Assistants, Administrative Support staff, cooks, and kitchen aides, subject to existing civil service, accounting, budgeting, and auditing rules and regulations.

The hiring of additional manpower for SBFP in the ROs and SDOs is in accordance with approved Guidelines for FY 2025 OM-OUOPS-2024-08-00378 titled Guidelines on the Utilization of Program Support Funds (PSF) for the Implementation of the School-Based Feeding Program (SBFP) Components and compliance with DBM-COA-CSC-DBM Joint Circular No. 2025-1.

- C. **Capacity Building and Program Monitoring Activities** - Include the conduct of trainings, monitoring and evaluation activities, conferences, and

travel expenses (TEVs) necessary to strengthen institutional capacity and ensure effective implementation of the SBFP. These activities aim to enhance the technical competencies of program implementers at the Central, Regional, Schools Division, and school levels, particularly in program management, financial accountability, food safety, and nutrition standards. Program monitoring activities support the systematic tracking of implementation progress, compliance with policy guidelines, and assessment of program outcomes. Conferences and coordination meetings facilitate policy alignment, knowledge sharing, and inter-office collaboration.

- D. **Homegrown School Feeding Model (HGSF)** - The HGSF constitutes a school feeding model that is designed to enhance educational and nutritional outcomes by ensuring access to safe, diverse, and nutritious meals, while simultaneously strengthening local economies through structured market opportunities for smallholder farmers and fisherfolks. This modelling is currently being piloted in 3 SDOs, namely: SDO Santiago City, SDO Cauayan City and SDO Quezon City.
- E. **Equipment and Consumables** - Essential kitchen equipment, cold storage facilities, and consumables necessary for feeding operations may be procured and charged to the Maintenance and Other Operating Expenses (MOOE), subject to a ceiling of Fifty Thousand Pesos (₱50,000.00).
- F. **Other Operational Expenses** - To cover essential support costs necessary for the efficient and uninterrupted implementation of the SBFP. These include expenses related to hauling and delivery of food and supplies, communication costs for program coordination and reporting, and the procurement of supplies and materials required for feeding operations. This category also covers the conduct of nutritional assessments and tests to monitor the nutritional status of beneficiaries, as well as water quality analysis to ensure the safety and compliance of water used in food preparation and consumption. Such expenditures are critical to maintaining food safety standards, operational efficiency, and the overall effectiveness of the program.

Personnel without employee-employer relationship with the Department or those engaged through Contract of Service or Job Order are not qualified for payment of communication expenses. This is to reinforce the judicious and prudent use of all offices of government funds and that there are no duplications of similar or related expenses for the purpose, subject to existing budgeting, accounting and auditing laws, rules and regulations.

The funds herein shall use the funds in accordance with the existing budgeting, accounting, auditing, and procurement laws, rules, and regulations.

Attached as **Annex A** is the Fund Utilization and Allocation Matrix for authorized eligible expenses per category.

#### **VII. Use of Balance/Excess/Unutilized Funds**

Any excess amount or resulting balance may be utilized for expenses related to the implementation of the SBFP and its program components covered by this issuance, subject to existing budgeting, accounting, auditing, and procurement laws, rules,

and regulations. For this purpose, "related expenses" shall refer to those that contribute to a common particular outcome aligned with the objective of this issuance, specifically involving operational requirements or support services essential to program delivery.

### **VIII. Monitoring and Reporting**

To provide a comprehensive view of the monitoring and reporting process for the School-Based Feeding Program (SBFP) for FY 2026, the following multilevel monitoring and reporting structure is established. Each level is anchored in the administrative mandate.

- A. **Central Office (CO)** - In the exercise of its policy-making and oversight functions, the Central Office, through the BLSS-SHD, serves as the primary authority responsible for setting the national standards. Central office shall be the ultimate consolidator of national utilization data, overseeing the program's progress across the entire country.
- B. **Regional Office (RO)** - The Regional Office acts as the intermediary monitoring body. The Regional Office (RO) supervises field implementation by conducting program implementation reviews and identifying regional trends by consolidating monthly progress and utilization reports from various divisions.
- C. **Schools Division Office (SDO)** - As the primary implementing unit for fund utilization, shall exercise direct supervision over the fund utilization, procurement and distribution of food commodities. The SDO shall manage the program's efficiency through regular monitoring visits to verify food quality and adherence to feeding schedules.
- D. **School / Central Kitchen (CK)** - The School Head and the SBFP Coordinator shall be responsible for the actual administration of the feeding program and the accurate recording of beneficiary data, which forms the basis for all higher-level reporting and auditing. School-level personnel shall monitor the daily feeding of students, tracking nutritional status, and integrating the Water, Sanitation, and Hygiene in Schools (WinS) Program and Gulayan sa Paaralan Program (GPP).

For the effective monitoring of the implementation (physical and financial performance) and utilization of the downloaded PSF, the Regional Office shall submit a Utilization Report to the Central Office through the SBFP-Program Management Office (PMO) copy furnished to the Office of the Undersecretary for Governance and Operations. Program component focal persons shall submit their reports to the submission links provided in Annex F.

Other comments:

- Moving forward, consider issuing a multi-year guidelines to ensure proper and unified utilization of the SBFP PSF
- Include table labels (e.g., Table 1. Budget Allocation of the SBFP Fund for FY 2026)
- Table 1, Component Column:
  - Complete the word "days" in every row for consistency
  - Consider identifying how the budget will be divided across all governance levels
- Paragraph 3: Change the word "policy" to "memorandum." As per DO 13, s. 2015, only a DepEd Order is recognized as a policy within the Department.

**Guidelines on the Utilization of the Program Support Fund (PSF) for the Implementation of the School-Based Feeding Program (SBFP) Components**

- I. Rationale
  - Aside from the objectives, provide a brief background of the program
  - Further elaborate how does the identified programs affect SBFP.
- II. Scope
  - Reiterate the implementation period of the guidelines in the Scope
- III. Program Component

\*As per DepEd Order No. 13, s. 2015 (Establishment of a Policy Development Process at the Department of Education)

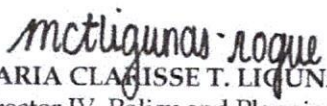

- Item 2: Identify other reference issuance for GPP since the cited DM is effective only for SY 2016-2017
- V. Release of Funds: Transfer before item IV.
- VI. Use of Balance/Excess/Unutilized funds: Merge with item IV since the coverage of the latter is encompassing with anything related to the utilization of funds.
- VII. Monitoring, Reporting, and Evaluation:
  - Consider providing a template or the content of the report that should be reflected.
  - Table-Submission Link column: Clarify the purpose of the provided links, e.g., is it different from the Utilization Report to be submitted to CO? Who will complete and submit the report?
- Annex A
  - Cross-check with BHROD-PD the existing guidelines on the hiring of CoS
  - Ensure that the computations are accurate
- Annex C
  - Remove row 1. The timeline shall only include those activities relevant to implement the program
  - Adjust timeline in consideration of the guidelines' approval and issuance
- Annex D: TOR indicated for SBFP-COS TA I appears to align more with the responsibilities of a TA II. Kindly review and ensure that the TOR for TA I reflects the appropriate scope, similar to those specific to School Feeding.

**SUBJECT** : **CLEARANCE ON THE REVISED GUIDELINES FOR THE UTILIZATION OF THE PROGRAM SUPPORT FUNDS (PSF) FOR THE SCHOOL-BASED FEEDING PROGRAM (SBFP) FOR THE FY 2026**

**DATE** : April 21, 2026

This refers to the Memorandum of the Bureau of Learner Support Services – School Health Division (BLSS-SHD) requesting for clearance of the *Revised Guidelines for the Utilization of the Program Support Funds (PSF) for the School-Based Feeding Program (SBFP) for the FY 2026*.

The Finance Strand provided its initial and second recommendation on the draft guidelines through OASF-2026-418 dated February 5, 2026, and OASF-2026-567 dated March 10, 2026. This Office acknowledges that the comments and recommendations of the Finance Strand have been duly complied with and incorporated into the revised and latest version of the guidelines. Moreover, the concerned office has secured the necessary clearance from the Bureau of Human Resource and Organizational Development (BHROD) pursuant to the OASF-2026-563 titled "*Finance Strand Clearance on Program Support Funds Utilization Guidelines regarding the Hiring of Contract of Service and Job Order Personnel*".

With respect to the proposed communication expenses, this Office notes that the proponent office is seeking approval from the Office of the Secretary (OSec) for the grant of communication expenses to health personnel holding permanent positions pursuant to DBM Budget Circular No. 2024-2 dated 2 August 2024, entitled "*Guidelines on the Payment of Communication Expenses for Certain Government Personnel*."

Further, in the event of the approval of the request, it is recommended that the proponent office to release a separate issuance clearly defining: (a) the eligibility criteria for personnel entitled to the communication expenses; (b) the applicable rates or allowable amounts,

consistent with DBM Budget Circular No. 2024-2; and (c) the detailed procedures and documentary requirements for the payment or reimbursement of such expenses, to ensure uniform implementation and audit compliance.

In view of the foregoing, this Office **grants clearance on the finance-related provisions of the draft policy guidelines, subject to the approval of the request for the grant of communication expenses.**

In addition, it is noteworthy that, with respect to funds classified as For Issuance of Special Allotment Release Order (FISARO) intended for direct release to the Regional Offices (ROs), the Department of Budget and Management (DBM) has advised that requests for the FISARO may now be processed centrally through the Central Office (CO). This revised arrangement is intended to streamline the processing of the required approval of the Office of the President (OP) for the corresponding Congress-Introduced Changes/Adjustments (CICA).

In view thereof, a separate issuance from the Finance Strand will be issued repealing the instruction stipulated in the 1<sup>st</sup> Instruction of SBFP FY 2026 informing the ROs shall no longer be required to submit separate FISARO requests to their respective DBM Regional Offices and the CO shall consolidate and prepare the necessary documentary requirements and undertake the processing of the FISARO request. The necessary documentary requirements are hereto attached as **Annex A**.

Should you require further assistance, kindly contact this Office through the Education Programs Management Office at [epmo@deped.gov.ph](mailto:epmo@deped.gov.ph).

For appropriate action.
