**REGIONAL MEMORANDUM**

No. 728, s. 2026

**SHIFT TO ONLINE MODALITY FOR THE FINALIZATION WORKSHOP ON  
 STRUCTURED PEDAGOGY FOR KS4 CORE SUBJECTS**

To: Schools Division Superintendents

1. In reference to BLD Advisory dated June 8, 2026 regarding the conduct of Finalization Workshop on Structured Pedagogy Package for Key Stage 4 Core Subjects with EdTech and Integrative Assessment scheduled on June 9-12, 2026, this Office informs all concerned that the activity shall be shifted from face-to-face to online modality due to the recent magnitude 7.8 earthquake that affected parts of Mindanao, particularly General Santos City which was designated as the venue for the activity.
2. The change in modality is made in consideration of the safety and well-being of all participants, given the possibility of aftershocks and other related hazards. Further, this will also ensure the timely completion and finalization of the learning resource materials in preparation for the instructional requirements of the school calendar.
3. Participants who have already traveled to the venue may claim reimbursement of eligible travel expenses, subject to existing accounting and auditing rules and regulations. Likewise, participants who have booked airline tickets are advised to coordinate the cancellation of their flights. Corresponding cancellation fees may be reimbursed upon submission of the required supporting documents.
4. Despite the change in modality, all participants are expected to accomplish their assigned tasks and submit the required outputs within the prescribed timelines.
5. For inquiries or further clarification, please contact Mr. Wilson R. Santiago, Focal Person at 0956-947-7740.
6. Immediate dissimination of this memorandum is desired

**Shift to Online Modality for the Finalization Workshop on Structured Pedagogy for KS4 Core Subjects**

In view of the recent magnitude 7.8 earthquake that affected parts of Mindanao, particularly General Santos City, which was designated as the venue for the Finalization Workshop on Structured Pedagogy for KS4 Core Subjects scheduled on June 9–12, 2026, this Office hereby informs all concerned that the activity shall be shifted from face-to-face to online modality.

This decision is made in consideration of the safety and well-being of all participants, given the possibility of aftershocks and related hazards, including tsunami advisories. The change in modality will also ensure the timely completion and finalization of the learning resource materials in preparation for the instructional requirements of the school calendar.

To facilitate uninterrupted participation and productivity, all writers and members of the technical working group are required to attend the online workshop from their respective homes and focus on the completion of assigned deliverables.

Furthermore, participants who have already traveled to the venue may claim reimbursement of eligible travel expenses, subject to existing accounting and auditing rules and regulations. Likewise, participants who have booked airline tickets are advised to coordinate the cancellation of their flights. Corresponding cancellation fees may be reimbursed upon submission of the required supporting documents. Documentary requirements for reimbursement shall be provided by this Office.

Despite the change in modality, all participants are expected to accomplish their assigned tasks and submit the required outputs within the prescribed timelines.

For inquiries or further clarification, please contact Mr. Wilson R. Santiago, Focal Person, at 0956-947-7740.

This Office expresses its appreciation for your understanding, support, and cooperation. Immediate dissemination of and compliance with this Advisory are highly desired.
