SUBJECT : **GUIDELINES ON THE USE OF PROGRAM SUPPORT FUNDS (PSF) FOR THE CONDUCT OF NATIONAL DISSEMINATION AND TECHNICAL ASSISTANCE ACTIVITIES ON INTERNATIONAL LARGE-SCALE ASSESSMENTS (ILSAS)**

DATE : **June 10, 2026**

I. Purpose

The Enhanced Basic Education Act of 2013 (Republic Act No. 10533) outlines the mandates of the Department of Education (DepEd) to evaluate and improve the quality of education to meet global standards. In line with these mandates, the issuance of Policy Guidelines on System Assessment in the K to 12 Basic Education Program (DepEd Order No. 29, s. 2017) delineated and provided an overview of social acceptance in participating in International Large-Scale Assessment (ILSAs) assessments per key stage, such as the Programme for International Student Assessment (PISA), Trends in International Mathematics and Science Study (TIMSS), Progress in International Reading Literacy Study (PIRLS), and Southeast Asia Primary Learning Metrics (SEA-PLM).

Hence, the results gathered from ILSAs data feed into the assessment of DepEd, as stipulated in the Policy Guidelines on the K to 12 Basic Education Program (DepEd Order No. 021, s. 2019). Further, it measures the effectiveness of the country's educational system. It is designed to determine the degree to which the system goals are achieved across regions, curricular areas, and learners. It also provides evidence and data that may be used for monitoring and evaluation.

The BEA-ERD serves as the National Center for SEA-PLM and PISA. SEA-PLM examines the foundational learning of Grade 5 learners in reading, writing, and

mathematics. On the other hand, PISA measures the functional literacy of 15-year-old students in reading, mathematics, and science. Both collect contextual data to have a deeper understanding of the factors influencing their performance. Contextual analysis is being conducted by BEA-ERD to provide curriculum framers and policymakers with evidence-based data for curriculum enhancement and policy development.

This 2026, the BEA-ERD will conduct **National Dissemination and Technical Assistance Activities on International Large-Scale Assessments (ILSAs)** for **Batch 1 (Luzon Group)** on **July 21-23, 2026** at **Baguio Teachers Camp, Baguio City** and for **Batch 2 (Visayas-Mindanao Group)** on **August 4-6, 2026** at **Cebu Eco-Tech, Cebu City**. This aims to communicate the significant findings from completed national research projects and the results of ILSA. Additionally, technical assistance will be provided to participants in handling and utilizing ILSA data.

In relation to this, **NASBE Program Support Funds (PSF)** will be used as support funds. This Bureau shall download PSF to Regional Offices (ROs) following the implementation timeline of activities related to national dissemination and technical assistance activities on ILSAs. The ROs are authorized to download funds to the concerned School Division Offices (SDOs). The PSF allotment covers travel expenses and incidental expenses during the activity.

II. Target Participants

The participants in this activity will include the Assessment Data Focal Persons from the Regional and School Division field offices across the country and select specialists from Central Office. (*Annex 2: Summary of Attendees*).

III. Program Support Funds

The support funds shall include the travel and incidental expenses of the personnel from the Regional and Schools Division Offices. The travel expenses will be computed in consideration of the participant's work station, and mode of transportation requirements for travel, in accordance with the Executive Order No. 77, s. 2019 (Prescribing Rules and Regulations and Rates of Expenses and Allowances for Official Local and Foreign Travels of Government Personnel).

a. Travel expenses

Each participant shall receive funds for travel expenses based on their mode of transportation.

b. Incidental expenses

Republic of the Philippines
Department of Education
OFFICE OF THE UNDERSECRETARY FOR LEARNING SYSTEMS

Each participant is entitled to claim their incidental expense incurred in the workshop. All related expenses shall be subject to existing procurement, budget, accounting and auditing rules and regulations.

Any excess amount or resulting balance may be utilized for expenses related to the implementation of activities related to International Large-Scale Assessment (ILSAs), subject to existing budgeting, accounting, auditing, and procurement laws, rules, and regulations. For this purpose, "related expenses" shall refer to those that contribute to a common particular outcome aligned with the objective of this issuance, specifically involving operational requirements or support services essential to program delivery. These may include:

- a. Procurement of semi-expendable items (goods below the capitalization threshold);
- b. Conduct of workshops and capacity building activities;
- c. Travel expenses; and
- d. Other day-to-day operational needs directly supporting program implementation.

IV. Fund Validity

The total budget amounting to **Php 2,714,690.00** shall be sourced from the FY 2026 current allotment for the NASBE program. The Regional Offices (ROs) and Division Offices (Dos) shall ensure that the funds are obligated and disbursed until December 31, 2027 pursuant to the National Budget Circular (NBC) No. 599 (Guidelines on the Release of Funds for Fiscal Year (FY) 2026). The utilization of funds shall be in accordance with the existing budgeting, accounting, auditing, and procurement laws, rules, and regulations.

For more information, please contact the Bureau of Education Assessment-Education Research Division (BEA-ERD), 2nd Floor, Dorm D, Department of Education Central Office, DepEd Complex, Meralco Avenue, Pasig City, through email at bea-erd@deped.gov.ph or telephone number (02) 8631-2591.

Immediate dissemination of this memorandum is desired.
