After completing a training, participants often receive a certificate of completion, attendance, or participation to recognize their effort and validate the skills acquired.

JVD TRAINING SERVICES

Company Profile

JVD Training Services is a training organization which aims to provide quality and cost-efficient training programs, workshops, seminars, conferences and other events to the public and private sectors. With a pool of reputable trainers who are acknowledged experts in their respective fields of specialization, JVD Training Services endeavors to serve the Filipino community through effective dissemination of information and knowledge.

The company conducts both public and inhouse seminars for various topics necessary to improve performance in the workplace, as well as personal betterment. The topics range from personality development to soft skills (such as communication skills, leadership, stress management, problem-solving, computer proficiency, organizational skills, etc.) to specialized fields such as HR, computers, engineering, law & enforcement, and others.

JVD Training Services is currently servicing many government agencies and local government units for public and inhouse offerings. It is the company's vision to be one of the most reliable, effective, and cost-efficient training organizations in the country.

VISION

To become one of the most reliable, effective, and cost-efficient training organizations in the country, servicing both the private & government sectors.

MISSION

To offer training programs & events which will enrich people's lives and contribute to their personal & professional success.

CORE VALUES

- Excellence
- Service
- Honesty
- Social Responsibility
