Subject: Updates on Khan Academy Implementation in DepEd Region I for End of Term 1 SY 2026-2027

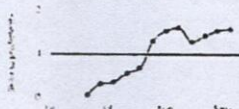

Dear RD Estela,

We hope this letter finds you well. We sincerely appreciate your region's continued support and commitment to improving learning through Khan Academy. As we conclude the first term of School Year 2026-2027, we are pleased to share an update on the progress of implementation in Region I.

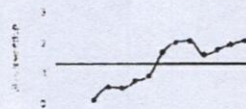

We are delighted to share that **132 new schools** in your region have successfully passed the verification process and have been confirmed as Khan Academy implementing schools for this school year. This remarkable achievement makes your region the first to exceed the target of 113 schools set by the Central Office! The complete list of verified and non-qualified schools, together with the reasons for non-qualification, has been shared with your Regional Khan Academy Focal Person, Ms. Rica Perez.

We are also pleased to share the implementation data of Region I. As of last week's data, students have achieved an average of **1.6 proficient skills** and **2.1 leveled-up skills**, a significant increase in last month's 1.3 and 1.7, respectively. We would like to remind you that our targets for each of these indicators is at least 2 per week.

Regarding platform engagement, **84% of rostered students have spent less than one minute**, while only 9% have met the prescribed 30-minute minimum. The list of schools with no recorded activity as of August 31, 2026 is attached for reference. We encourage teachers from these schools to attend the **Online Refresher Course on September 26, from 8:00 to 11:00 a.m.** via www.facebook.com/groups/continuing.kaph2627.

The next table shows the student activation rate per SDO. We are especially pleased to welcome **SDOs Alaminos City, Batac City, Ilocos Norte, and Laoag City** as new implementers this school year, with their teachers set to undergo training this October. We look forward to seeing their implementation grow alongside our continuing SDOs, and we are confident that, through our collective efforts, all SDOs can achieve 100% student activation and provide more learners with meaningful opportunities to learn through Khan Academy.
