OFFICE MEMORANDUM
FIN-2026-378

DEADLINE FOR THE SUBMISSION OF COMPLETE DOCUMENTARY REQUIREMENTS FOR SUPPLIER PAYMENTS

To: Assistant Regional Director
Chiefs of Functional Divisions
All Concerned Personnel

1. Based on the information submitted by the various functional divisions on the list of estimated payables for goods already procured but documents are not yet forwarded to the Accounting Section as of October 28, 2026 (*attached as Annex A*), it was noted that, as of this date, the majority of the goods have already been delivered, services rendered, and activities conducted. In this regard, the Finance Division - Accounting Section respectfully requests that all disbursement vouchers, together with the required supporting documents, be submitted **on or before December 1, 2026**. Payment documents received beyond the prescribed deadline shall still be accepted; however, they may no longer be prioritized for processing and may instead be included in the List of Due and Demandable Obligations for CY 2027.

2. Considering the substantial volume of disbursement vouchers and supporting documents subject to pre-audit, the foregoing deadline is hereby established to provide adequate time for the review of submitted documents, resolution of identified deficiencies, and compliance with pre-audit observations, where applicable. This is intended to ensure the timely processing of payment transactions before banking and year-end cut-off dates and to mitigate the risk of cash reversions. Accordingly, all program owners are enjoined to submit complete payment documents to the Accounting Section immediately upon completion of the required supporting documents and not defer submission until the prescribed deadline.

3. All officials and personnel serving as signatories in **Box A of the Disbursement Voucher**, who certify the necessity, legality, validity, and propriety of the expenditures incurred, are likewise enjoined to thoroughly review and ensure the completeness of all supporting documents before endorsing and forwarding the same to the Finance Division. This will facilitate the efficient conduct of pre-audit and expedite the processing of payment claims.

4. For information, guidance and strict compliance.
